Dear Presenters,

Thank you for taking the time to respond to our recent survey, and a special thank you for offering to present at the Penn State University & University of Auckland online workshop.

We received an excellent response rate, reflecting a strong interest in building collaborations between Penn State University and the University of Auckland. We are excited to announce that the online workshop will take place over two days with presentations organized by the thematic areas included in the survey. Dates and thematic areas for both workshop days are attached.

Given this high level of interest, and to accommodate the strong response rate, we invite presenters to provide lightning talks instead of longer presentations.

REQUIRED: Confirm Availability -submit survey by COB October 16, 2024

Submit this brief survey to confirm your availability to present a lightning talk at the time/date indicated below for your institution.

<https://forms.office.com/r/TRmD0Du8VP>

You have been selected to present on:

Workshop Day 1

Penn State University - Tuesday, November 12: 3:00 - 5:00pm EDT

University of Auckland - Wednesday, November 13: 9:00 – 11:00am NZDT

Group 2 -Thematic Area Lightning Talks

- Children's Future
- Intercultural Learning and Competencies

Workshop Registration

Participation in the Penn State University & University of Auckland online workshop is by registration. Submitting your participation confirmation survey will be your registration for the workshop day of your presentation. Once your survey is received, a calendar invite, including the zoom link to attend the workshop, will be sent to you.

The calendar invite you receive will provide workshop registration only for the day you present. Within the confirmation survey, you will have the opportunity to indicate interest in attending another workshop day when you are not presenting. You will receive an email with the registration link for this non-presenting workshop day during the week of October 28, 2024.

Please be aware that thematic area presentations for Group 1 and Group 2, on both workshop days, will be occurring simultaneously in break-out rooms. Although attendance on both workshop days is encouraged, you will be required to select either Group 1 or Group 2 to attend.

If you have any questions, please feel free to contact Alexandra Persiko (axp1225@psu.edu), Deepa Tripathi Chaturvedi (dt.chaturvedi@auckland.ac.nz), or Wanda Devlin (wbd6@psu.edu).

We thank you in advance for presenting your research at the workshop and we look forward to fostering and supporting many future collaborations.

Best regards,

Wanda
